Jayne and Allison,

After discussions with both of you, I made the following changes to my earlier version of the draft final forestry riparian document: 1) I added all of Jeff's comments (thanks Allison); and 2) I edited the original version of the last paragraph leaving the edits in so the managers can see how the paragraph was changed (Allison's suggestion-it worked best). I will identify this version with the 100114 date.

Now to landslides, I hope.
